# Installer of the Year – Winner

As voted for by INCA System Designer and Associate members

## PIC Construction Group Ltd

PIC Construction received highest ratings for workmanship, training, communications, client satisfaction, commitment to health and safety, all-round business acumen.

They have worked on many INCA award winning projects in the past. They were shortlisted three times and winners in 2024 and again have been shortlisted multiple times in 2025 and this year have won twice.

They have been involved in some landmark and highly complex major projects alongside design focussed architects where their consistent attention to detail and impressive quality of workmanship has delivered incredible results.

Worthy winners indeed.
